## Presidents Message by Devinder Mahajan

Dear Arya Bandhus:

I am thankful to Dr. Gandhi & Executive Committee members for their love & affection with which they have bestowed upon me the honor of the President of Arya Pratinidhi Sabha America. I accept this great responsibility in all humility & assure you all I will do my best to live up to the trust & faith reposed in me.

There is a challenge before us to streamline our organization, improve our communications & effectively use the expertise of our members to impart Vedic values to our future generation, serve our community & thus realize the dreams of Maharishi Dayananda Saraswati who gave the clarion call Krinvanto Vishvam Aryam.

I know for a fact that we have lot of well seasoned experts, dedicated volunteers in all different fields ready to devote their time & energy for the service of our cause. I am very happy to report that on my request eleven members have accepted the responsibility to lead their respective committees. A brief description of the role of each committee has been included on the website of Arya Pratinidhi Sabha America.

I am requesting each committee coordinator to add new members, work out their objectives & goals as they see fit. It is up to each coordinator & his/her team to work out their means of communication, i.e. e-mails, conference calls etc. Any body who is interested to participate in any committee is requested to contact me or the Committee Coordinator directly.

Thanks to Shri Vijay Bhalla ji, Dallas who has been working very diligently with me to set the format of this newsletter & Kewal Ahluwalia ji Canada who has taken the responsibility of the Communications Committee.

In the end, I will be failing in my duty if I do not convey my heartfelt thanks to my Co-chairs Mrs. Saroj Kumar ji & Dr. Bhushan Verma ji & more than 80 volunteers who worked very hard to make our 16<sup>th</sup> Arya Maha Sammelen a great success. Let me share with you one incident which convinced me of the success of this Sammelen in Houston. While departing on Sunday noon, young Puneet Gupta came to me & said very shyly, "Uncle, I really do not want to leave this place now." I will never forget the warmth of the hug received from this young man.

## 16<sup>th</sup> Arya Maha Sammelen – A Great Team Effort by Dr. Bhushan Verma

It was indeed an exemplary effort that all the volunteers put together in making the 16<sup>th</sup> Arya Maha Sammelen hosted by ASGH during July 13-16<sup>th</sup> a grand success. There is no way to describe the joy and happiness that came in words and gestures of so many of the delegates who all felt that they were treated like VIPs....

"The work displayed by members of AYM was exemplary. I got the opportunity to be with the youth on the trip to downtown. ....The whole experience was uplifting." [Read More](#)
